## EDUCATIONAL QUALIFICATION

2024-2028

St. Joseph's Institute of Technology

B.E. Computer Science and Engineering

CGPA: 7.43

## PROJECT

### Guardian- AI based Legal Bridging Platform

HTML | CSS3 | React.js | PostgreSQL | Groq | FastAPI

- Built Guardian, an AI-powered legal assistance platform using React.js and FastAPI, connecting users with lawyers through NLP-driven guidance.
- Developed an SDG-based solution that won the Impact Ignite Award at InnoClash'26 conducted by Rajalakshmi Institute of Technology.

### FinGuard – AI-Powered Platform for Financial Guidance and Risk Detection

HTML | CSS3 | React.js | PostgreSQL | Groq | Ollama | FastAPI

- Engineered FinGuard, a full-stack AI-powered financial assistant and risk prediction platform using React.js, Python FastAPI, PostgreSQL, and LLM integration.
- Implemented secure user authentication, an intelligent financial chatbot, personalized financial recommendations, and predictive risk analysis to enhance financial planning, identify potential risks, and support informed decision-making.

### AgriDirect- Bridging Platform between Sellers and Farmers

HTML | CSS3 | React.js | PostgreSQL

- Developed AgriDirect, a full-stack agri-commerce platform connecting farmers and buyers using React.js, Java, Spring Boot, and PostgreSQL.
- Built secure user authentication, product listing, and marketplace features to streamline agricultural trade and improve market accessibility.

## EXPERIENCES

### Big Bucks Innovations

June 2026-July 2026

Web Development Intern

Chennai, India

- Developed a full-stack Weather Forecast application using React.js, Spring Boot, Java, and PostgreSQL with a responsive user interface.
- Designed and integrated the frontend, backend, and database to fetch and display real-time weather data.

### Code on JVM Chennai

Febraury 2026- Present

Organizer

Chennai, India

- Organized and managed 7+ developer community events, handling hosting, venue operations, and end-to-end event logistics.
- Managed WhatsApp communication, call support, promotions, and design, ensuring smooth coordination with speakers, sponsors, and attendees.
